TAKE THE **RAMRODZ®** CHALLENGE

Step 1: Clean your gun with your preferred method.

Step 2: Run a **CALIBER-SPECIFIC RAMRODZ®** down the barrel.

If you thought your gun was clean, think again! Specially engineered RamRodz® provide superior cleaning by conforming to barrel walls. They get all the dirt and debris that patches, snakes and other methods leave behind, at a fraction of the cost and time.

We are so sure of our product that if RamRodz® doesn't provide superior cleaning, we'll give you your money back!

WARNING: Unload Firearm Before Cleaning

RamRodz® Expand Deep into Rifling Grooves and Conform to the Barrel Walls

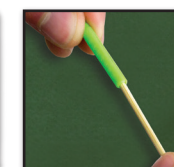

Our Barrel and Breech Cleaners are a revolutionary, new line of caliber-specific gun-cleaning swabs that eliminate the need for cotton patches. They provide superior cleaning performance in a fraction of the time. Due to their low-lint, highly absorbent cotton heads, RamRodz® make gun cleaning mess and hassle free.

Disposable and biodegradable, RamRodz® are available in most common rifle, shotgun and handgun calibers. All RamRodz® models are ideal for cleaning barrels, receivers, slides, chambers, magazine housings, breeches and more.

#60010 RIFLE AND SHOTGUN ADAPTERS

Easily attaches to standard cleaning rods—provides an efficient way to clean rifle and shotgun barrels using RamRodz®.
